

Assignment Case	
COMP6047 Algorithm and Programming	
Computer Science	<Case Code>
<i>Valid on Compact Semester Year 2019/2020</i>	Revision 00

Soal*Case***GPA**

Jojo and friends has been finished his 4th semester in Computer Science major. He would like to send his friends *a letter of congratulation* for their good work in classes during this semester. Help Jojo to make a program for sending congratulations message to his friends.

Format Input

The input consists of two lines. First line containing string *S* as his friend name. The second line containing a decimal number as the GPA.

Format Output

Print the congratulations message by the name and GPA in two digits after the decimal point with quotes (“ ”)

Constraints

$$1 \leq |S| \leq 100$$

$$0 \leq GPA \leq 4$$

Sample Input	Sample Output
Lili 3.738	Lili finished this semester with "3.74" GPA. Congratulations!
Bibi 2.0199	Bibi finished this semester with "2.02" GPA. Congratulations!

Note:

The output is actually in a single line.
Don't forget to add the newline character after printing the output.
